## **OUR VISION**

Students will follow Christ confidently, live honorably, think analytically, and demonstrate academic excellence.

## **OUR MISSION STATEMENT**

PCA teaches from a Biblical viewpoint, inspires academic excellence, and fosters a strong school-home partnership, in order to educate, train, and equip students with the skills to be effective representatives of Jesus Christ.

## **CORE VALUES**

We believe that: The Bible is the revealed, inspired, inerrant Word of God, which is taught as truth.

Our students must learn how to process information in the context of a Biblical world view; therefore, the consistent integration of biblical truth and learning is pursued in all disciplines.

High academic, social, moral, and spiritual standards are maintained and expected from staff and students with opportunities for evaluation, assessment, and continuous improvement.

Strong partnerships between PCA, its parents, the business community, and evangelical churches and schools are vital to the education of our students.

A safe spiritual, emotional, and physical environment is essential for the well-being of the school community.

No student will be refused admittance to PCA on the basis of race, color, or national origin.

## ACADEMICS

PCA uses both Christian and secular curriculum materials. The guiding principle that God is the source of all knowledge is woven throughout. The curriculum promotes a Christian perspective of life integrating Biblical teachings with academic studies and featuring the study of the Bible. The curriculum also encourages internalizing God's Word through Bible memorization and provides a practical guide through real-life situations.

## GRADES

**The purpose of our reporting system is to give parents and students an indication of the progress being made.** Grade cards will be issued every nine weeks (see the school calendar on the website for end-of-the-quarter dates). *All fees, including June tuition, must be paid in full in order to release a student's grade card at the end of the year.*

Grade card markings are explained on the cards. Students should be encouraged to work for achievement, not for grades. Please do not compare your child's grades with others. Each student should be encouraged to "Do all things as unto the Lord".

Parents are encouraged to ask for a conference any time they think it is necessary.

Please schedule these in advance.

## RENWEB

In grades 4<sup>th</sup>-8<sup>th</sup>, parents may access their child's grades through the RenWeb computer program. Parents are encouraged to log-in at anytime to check grades. Please create a login name and password following the instructions found on our website under the Parent tab. Interim reports will be sent home each quarter.

## HOMEWORK POLICY

Homework at PCA is to be purposeful. It will either be practice (such as math problems), preparation (such as studying for a test), or an extension (such as a project). Homework is to involve parents in appropriate ways without requiring parents to act as teachers or to police students' homework completion. Teachers will carefully monitor the amount of homework assigned so that it is appropriate to students' age levels and does not take too much time away from other home activities.

## EXTRA-CURRICULAR ELIGIBILITY

In order for a student to be eligible to participate in extra-curricular activities, he/she must have a 70% or higher in all subjects, including electives.

## RETENTION

K-5<sup>th</sup> grade is at the recommendation of the teacher

- 6th, 7th and 8th Any 2 F's in core subjects - retain (no summer school)
- 1 F in a core subject - require summer school
- 1 D in a core subject - recommend summer school

**Core subjects are :** *Bible, Math, Language Arts, Science, Spanish, and History*

The summer school requirement may be met by satisfactory completion of a PCA approved tutoring program if PCA does not offer a summer school program.

## **TESTING**

Standardized achievement tests will be given during the spring semester. Dates are on the school calendar. Requests for vacations are strongly discouraged during testing week.

## **TEXTBOOKS**

Many of the textbooks we use at PCA are consumable (the student takes the book home at the end of the year). But, there are some books that we use year after year. These textbooks are the responsibility of the student during the school year, and are expected to be returned in good condition.

# **CODE OF CONDUCT**

## **CODE OF CONDUCT**

Polaris Christian Academy (PCA) was founded to assist parents in fulfilling their God-given responsibility to “train up a child in the way he should go”, Proverbs 22:6. It is our desire to provide every student with a learning environment that will bring them into the fullness of their calling in the Lord. How a student conducts himself will have an effect on his own future and the ability of others to meet their potential.

A positive learning environment is one where each student is allowed to receive instruction that he can understand in a manner which takes into account his learning styles without interruption or interference from other students.

Behavior which disrupts this learning environment will not be allowed at PCA. Examples of undesired behavior are as follows: repeated tardiness or absences, repeated disruptions in class, participation in vandalism or acts of violence towards staff or students either on or off campus, bullying a fellow student, disregard for or refusal to submit to the established dress code for PCA.

PCA students are expected to:

- Respect those in authority over them by responding to directions and commands quickly and appropriately and by using appropriate titles for adults such as Mr. or Mrs. when communicating with them.
- Respect fellow classmates by not stealing or damaging their property, and by not bullying or participating in any form of harassment.
- Respect the facilities used by the school by not defacing or damaging those facilities.
- Be responsible for the care of books, equipment, and facilities which they are allowed to use.
- Refrain from fighting, horseplay, or activities which endanger the physical well

- being of students.
- Maintain a consistent Christian testimony in their actions and interactions with school policies and regulations.

## **DISCIPLINE**

The school and the home must be parallel in the discipline of the student in order to be effective. Only a philosophy and practice based on God's Word is acceptable. Our philosophy is as follows:

- The responsibility and authority to discipline comes from God. (Eph. 6:14)
- Discipline has moral content. It is both positive and negative. Disobedience is the core of sin. (1 Pet. 1:14-16)
- Christian love is at the heart of all discipline. Correction and chastening are essential and should be balanced. Firmness without love becomes harsh; love without firmness becomes sentimentality. ( Prov: 3:11,12)
- All discipline is designed to show the child his sinful will, lead him to trust in Christ, and to become Spirit-disciplined. (Gal. 3:19-24)

**The school helps to cooperate with the home in forming good habits such as:**

***Cheerful obedience to authority***, which should be willing and immediate.

***Responsibility*** in doing assigned tasks.

***Cooperation*** with others in playing and working at school.

***Courtesy and respect for others***: students, staff, and visitors.

***Cleanliness*** in person and property.

***Truthfulness and honesty*** in word and life.

***Respect*** for property of others and the school.

***Promptness*** in attendance and assignments.

***Good moral conduct*** in respect to recreation, social relationships, and language.

It is the heart of PCA to partner with the parents in nurturing and disciplining the students of the school. When a student deviates in these areas, it is the responsibility of the home and school to provide correction and guidance.

***Attendance at Polaris Christian Academy is a privilege. Any student whose conduct or attitude presents a consistent problem will be asked to withdraw.***

**PCA Discipline may include:**

1. Warning
2. Loss of privilege
3. Lunchtime Detention
4. After School Detention
5. In-school Suspension
6. Out of school suspension - two day, five day, ten day
7. Expulsion from School

Please see the Discipline Policy posted on our website under forms and documents in the Parent Tab for more specific guidelines.

## **DETENTIONS**

If the student cannot fix the problem, the office will determine if it warrants a call to the parent. Middle School students will lose a ROAR buck and will serve a detention if the problem persists.

# **ATTENDANCE**

## **A.M. ARRIVAL OF STUDENTS**

Teachers are ready to receive students at 8:30am. Parents are to drop off children between 8:30am-8:40am.

## **TARDIES**

Parents must call the school when their children are absent. Parents bringing students who arrive after 8:45 must sign-in at the office. At the event of an area wide traffic incident or weather condition, tardies will be considered excused, at the discretion of administration. *Except in case of an emergency, all tardies will be unexcused.*

Students who arrive after 10:30 am or leave before 2:30 pm will be marked 1/2 day absent.

### **Excessive tardiness:**

For elementary students, all work that is missed to do an unexcused tardy is to be sent home and completed as homework. After four unexcused tardies per quarter, a conference may be requested by the principal. For middle school students, missed work must be completed as homework. After four unexcused tardies per quarter, a conference may be requested by the principal.

## **ABSENCES**

Regular and punctual attendance is essential to successful class work. Excused absences may be given for the following reasons:

1. Personal illness
2. Family illness
3. Death of a relative

4. Family emergency
5. Absences approved in advance by the administration

We understand that some family situations cannot help but have vacations fall within the school year. It is our concern, though, that students do not fall behind academically. Parents who wish to request that their child be excused from school for a vacation should submit the request to the office, on a Prearranged Absence form, at least one week prior to the planned vacation. Homework given prior to the absence is due upon returning unless other arrangements have been made with the teacher.

**It is the parent's responsibility to report absences:**

Parents must call the school by 9:00 am on the day of an absence and state the specific reason for the absence. If the parent does not call, the school will call them..

**Extended or excessive absences:**

When a student is absent more than 5 days in a semester, the school will contact the parents. Students absent for more than 10 days in a semester or 20 days in a year will be taken before the administration to determine the next step. Steps may include tutoring, retention in current grade, other disciplinary measures, or expulsion.

**EARLY DISMISSAL**

A note from the parents requesting early dismissal should be brought to the teacher by the student first thing in the morning. Early dismissal should be done infrequently as not to interrupt the class or the students' learning time.

Students must be signed out at the office by a parent or guardian.

**DISMISSAL / AFTER SCHOOL PICK-UP**

At 3:30pm dismissal, students are called over the loud speaker in order of parents' arrival and position in line. All students are to be picked up by 3:45pm! Please do not leave your car unattended in line during afternoon dismissal or morning drop-off times.

**WITHDRAWALS**

Withdrawals from school must be done through the school office. Parents must fill out a withdrawal form and all tuition balances must be paid in full in order for PCA to release student records to another school. Tuition adjustment arrangements will be made when the student's family withdrawals. Parents will be asked to complete an Exit Survey upon withdrawal of a student from the school.
